Home is where the heart is.

Years we waited to buy a house. Painful years of raising children in someone else's home. Years I got to ponder what it would be like to have something of my own. I envisioned my children sitting in their home, playing in their rooms, running through their yard...and the days of waiting were over, all of my research paid off. We bought the house of my dreams and were given the best sales associate and builder, down to my warranty specialist. Everything was easy and seamless. I felt like we were working together, like a team. Now, I have a beautiful house that I know was built with integrity. I could not be more grateful.

Best Builder Around

We have loved DW homes ever since our mother bought one. The quality of their work, attention to detail and willingness to respond to questions is top notch. The biggest thing we love about DW is their focus on customer service. They are not your typical builder who meets with you to get a check and forgets about you till walk thru. They are your partner through the entire process. Each step of the way they know they are building your dream house and really treat you like family. I would recommend them hands down. My husband sells real estate and has dealt with numerous builders around town. He always directs his clients to DW and signs their praises.
