Incredible Experience, Incredible Home!

We trusted the team from Day 1 and couldn't have asked for a better experience. The attention to detail was fantastic, and we felt as if the DWH team had a personal interest in the success of our home. The process was well defined and every team member set very clear expectations. We love every inch of our home, and we'd definitely recommend DWH!

Exceptional service and experience!

We have been fortunate enough to build several new homes and this was by far the best experience that we've encountered. We actually debated whether or not we wanted to go through the home building process again or simply purchase a pre-owned home or a finished new home. So pleased we built! Our Weekley team (sales associate, design consultant and builder) was very professional, courteous, attentive, responsive and pro-active from beginning to end. They've all become our adopted kids! Great overall experience!
